Bilateral Meetings

- Tuesday 09:30 - 11:00

Description

Discover this privileged area and unwind in the rural atmosphere of La Garganta (a unique and pintoresque 14th century Masia (Catalan fortified farmhouse). We offer you a place where you'll be able to find all the ingredients that conform the gastronomy, culture and knowledge of our territory. An atmosphere that has been welcoming walkers, families, couples and groups of friends for some years, and that presently offers a wide range of possibilities.
